

**SOUTHWESTERN EYE ASSOCIATES
OFFICE POLICY**

Medicare and other insurances do not cover the fee for glasses prescriptions (REFRACTIONS). This is a very important part of your comprehensive eye examination. A \$40.00 refraction fee will be due at the time of check out if it is determined that a new prescription is needed.

All new patients, regardless of what condition brings them to our office will be dilated. Dilation results in blurred vision to varying degrees. Please let our receptionist know if you are unable to be dilated today. We will reschedule your appointment when you can arrange a driver.

Please respect the doctor, staff and fellow patients by turning off cell phones while in our office.

Thank you,

Patient Initials
